Hagonoy, Bulacan

2007-2013 (Primary) Hagonoy East Central School Sto. Nino Hagonoy  
Bulacan

## Programming Experience

The first time I tried creating a website, I struggled, but I was also challenged to complete it. I watched videos to improve my understanding of making a website. I learned that creating a website requires effort and patience because just one symbol is missing on your code and it will have an error.
